13th August 2018

On behalf of Lesley and myself and the Barke family we would like to thank Derby West End for giving us the facilities to accommodate The Tear Drop Trophy Charity Event on 28th July 2018.

With your support and generosity the day was yet again a great success, with the aid of outside sponsorship and generous donations from everyone the total raised was **£2075.00 ...for BLOODWISE ...** We would like to thank everyone involved at Derby West End from catering to bar staff and everyone who played and was involved. Long may it continue and hopefully you will allow us on behalf of BLOODWISE to host the event next year in 2019 on Saturday 27th July.

Yours In Sport
